*B. Taft*

*Dreux*

*Emigrants to Knowledge*

## *Editor's Page . . .*

This is our school life as we lived it during 1961 and 1962. We, the Vikings, came from all parts of the world—Norway to Pakistan, Guam to Saudi Arabia—to become the student body of Dreux American High School in France. We are truly "Emigrants to Knowledge". . . and this is our yearbook theme.

In the pages that follow, the annual staff has tried to give you, the reader, a true reflexion of student life at Dreux. Each reader must choose his own highlights . . . the teacher he liked, or the one he couldn't get along with . . . the roommate who shared his moods . . . the Saturday dances at the Teen Club . . . the class he almost failed . . . the Activity Clubs he chose to join . . . or his feeling of pride as our team scored a winning point.

The work involved in placing Dreux on pages was more than you may realize. Those of us who put

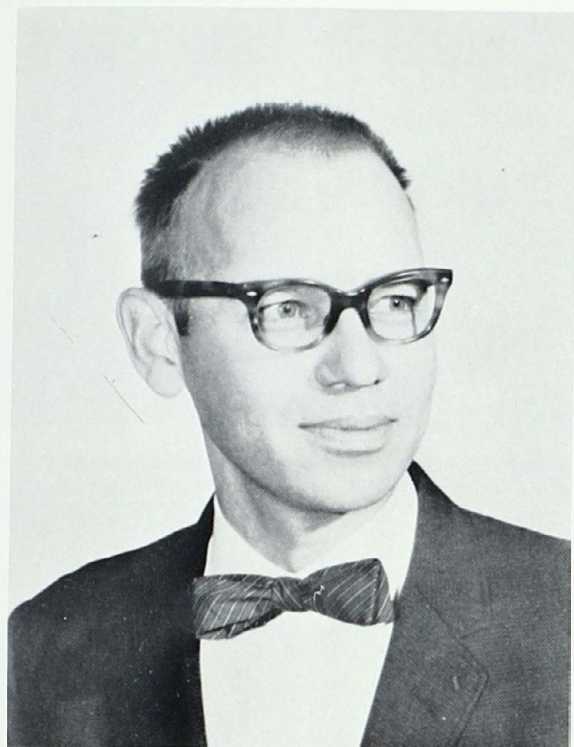

together this annual will keep as one of our memories the months spent on layout sheets, artwork, advertising and selling, compiling lists of names, and writing the best caption for each picture. You will probably remember with us the struggle to make sure your pictures were good ones.

As Editor of this year's annual, I sincerely hope that as you turn these pages you will be satisfied with our results . . . and that what you see and read will help you to remember Dreux, 1961-1962.

*Faye Wolf*

## Senior Favorites

SALLY HALL, Homecoming Queen, with Maids of Honor LANI PEW and PENNY PARR.

Penny Parr and John Roots were surprised at the Christmas Formal by gifts and the title of "Best-All-Around" boy and girl of the Senior Class.

The 1961 Homecoming Dance, sponsored by the Senior Class, did much to raise school spirit and show our appreciation to the Football Team. We think Queen Sally's smile is something special.

# Seniors In Action

1961 brought together a class of Seniors from all parts of the world. One of our first jobs, along with electing officers and planning the year's activities, was becoming acquainted with each other. Our first successful effort was to plan a concession stand for all athletic games. We gave Dreux its first Homecoming Dance and crowned our Queen amid red and white streamers . . . then celebrated the coming end-of-the-year holidays with a Christmas Dance.

The second month of 1962 found the Seniors sponsoring—and losing—the annual Faculty Basketball Game. It was enjoyed by everyone, as usual. And now, as the year grows older, we anticipate the summit . . . our graduation.

# Juniors In Action

The Juniors did much for Viking school spirit by constructing a "grave" for the Verdun football game, as the season started with a spectacular victory over the Falcons. The class of '63, led by "Woodie" Edwards, plans an outstanding Prom. They began their efforts with the Autumn Dance, decorated with Dreux's colorful leaves, given at the Teen Club. The Bali Hai Dance, sponsored in mid-winter, brought the South Seas atmosphere to Normandy. The Junior Class has originality and style. We wish them a fine senior year.

## The Library

A busy place this year, serving a larger student body and housing a growing book collection, the library was used as a center for conferences, yearbook activities and overflowing study halls. Much of the order and efficiency of things were due to student Library Assistants such as Jean Ann Sabol (pictured center).

## Notre Viking

The efforts of Notre Viking Staff have given Dreux student body a newspaper they can be proud of. Its format is clear and well arranged, its scope complete—including articles on all phases of school life, feature articles including current events, student contributions from poems to songs, a lively gossip column and, of course, complete sports coverage. Future interests of the staff include a fund raising scheme . . . profits to be spent sending the staff to Paris to visit Paris news publications.

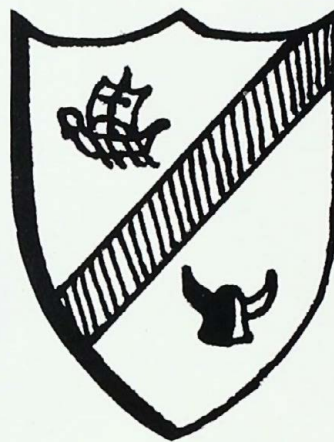

## Student Council

A working Student Council was formed early in the year through election by the student body after campaign speeches made by the candidates. The governing group acts as co-ordinator between students and faculty; passes on all student originated activities; maintains the school calendar, honor roll and deficiency grade sheets. A Spring Conference at the American School in Paris and a Dreux Leadership Conference, designed to encourage Leadership and boost school spirit, are being planned.

# FOOTBALL

## *Dreux 32 - Verdun 19*

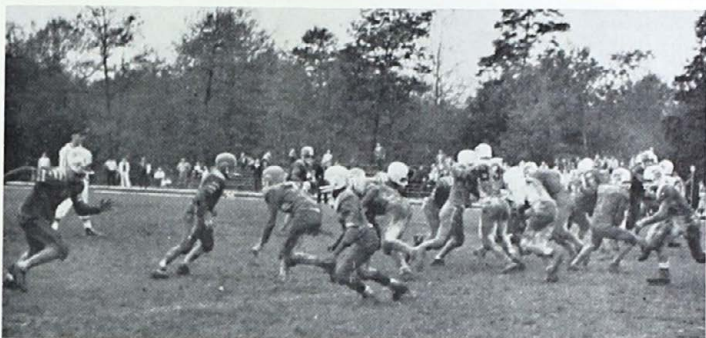

In the inaugural football game at Dreux, the Vikings handed the Falcons from Verdun a 32-19 setback. The win was sparked by the running of halfback Jerry Hamilton who scored on three touchdown runs. After-touchdown-points by fullback Dennis Brooks, on a twenty-five yard jaunt, and end Dale Hersey capped the scoring. Outstanding line performances were turned in by Driskill Horton, Tom Pittet, Jim Schou, and Rick Matlick.

## *Dreux 6 - Orleans 13*

On a muddy field, the Trojans of Orleans squeezed out a 13-6 win over the Dreux Vikings. The game was a battle of defenses. Dreux's front line, Corley, Schou, Pittet, Matlick, Brooks, Hamilton, and McKeehen, starred in tackling, but luck was against the Vikings. By the fourth quarter, Orleans led 13-6. After an eighty yard march, highlighted by passes from Zimmerman to Booty and Hamilton, the Viking's Brooks dove over from the one yard line for the six point gain. Unfortunately, the clock ran out with Dreux behind.

## *Dreux 0 - Paris 12*

Paris handed Dreux a heartbreaker to the tune of 12-0. The game was much closer than the score indicates. Numerous penalties, such as Hamilton's forty yard TD run which was called back, stopped Dreux drives. Dennis Brooks and Mike McKeehen were outstanding on offense, with Pittet, Hamilton, Johnson, Zimmerman, Brooks, Matlick, and Hersey leading the offense.

## *Dreux 32 - Poitiers 19*

Gary Zimmerman and Mike Booty teamed up for the two first-half touchdowns. Early in the second half, Gary Zimmerman picked off a Panther pass and skipped down the sidelines for a sixty-five yard TD. From then on it was all Dreux, as Johnson scored twice while Hersey and Brooks added. Hersey and Johnson ate up the field with spectacular runs and the game ended at 32-6 Dreux on top. The Viking defense, rugged as usual, is indicated by the score.

## *Dreux 19 - Chateauroux 2*

With the temporary loss of players, Jerry Hamilton and Rick Matlick, Dreux tackled the fired-up Sabres. Although surprised by a first quarter Sabre safety, the Vikings fought back with two TDs by Johnson and Brooks. Zimmerman scored the PAT and the final score was 19-2, Dreux. Dale Hersey added to the all-round brilliance of the offensive backfield by churning off considerable yardage.

## *Dreux 21 - Poitiers 0*

Playing their last game in high school, center Tom Pittet, quarterback Gary Zimmerman, fullback Dennis Brooks, and halfbacks Jerry Hamilton, Dale Hersey, and Gary Johnson, fired Dreux to a 21-0 victory over Poitiers in the Viking Homecoming Game. Dreux scored on the first kick-off with Brooks leading the way. In the second quarter, guard Jim Dunlap threw a tremendous block, springing Johnson loose for a 60 yard TD run. Then safety Gary Zimmerman intercepted a Panther pass and fled 60 yards down the sideline for the third Viking touchdown. PATs were scored by Hamilton (2) and Hersey (1). Fine offensive and defensive playing by the line held Poitiers scoreless.

The Vikings ended the season with a tie for second place in Com-Z. Dreux American High School has good reason to be proud of their team.

## Varsity

The Varsity basketball season opened with two Viking triumphs at home, playing Chateauroux, with scores of 38 to 31 and 37 to 32. Both games were sparked for the Vikings by the shooting of "Big" John Corley (14 points) and Rudy Bramlett (12 points).

When the Vikings played at Verdun in the next two games of the year they were beaten 49 to 34 and 55 to 37. Bill Grabowski and Gary Johnson's efforts to turn the course of things were to no avail. The team then went to play two exhibition games in England with Bushy Park as their first opponent. Dreux downed them in an exciting game, 43 to 42, with Rusty Britton sinking the winning point with only a few seconds to go. Gary Johnson was high point man with 26 points. Next the team went to Lakenheath, where the Varsity was beaten 39 to 30 in spite of John Corley's excellent playing.

When Orleans played at Dreux, they proved too much for the Viking's Varsity. Although Rudy Bramlett and Bill Grabowski were hitting, the final scores, with Orleans on top, were 28 to 61 and 37 to 59.

For the next two games the Vikings traveled to Paris, but even with the efforts of Rudy Bramlett, high scorer for both games, the team came home defeated—losing the first game 53 to 31 and the second 65 to 38. The last two tournament games, both played away, were also defeats, as Poetier scored 65 to Dreux's 44 and 63 to Dreux's 43. High scorers for the two games were Bill Grabowski and Rudy Bramlett.

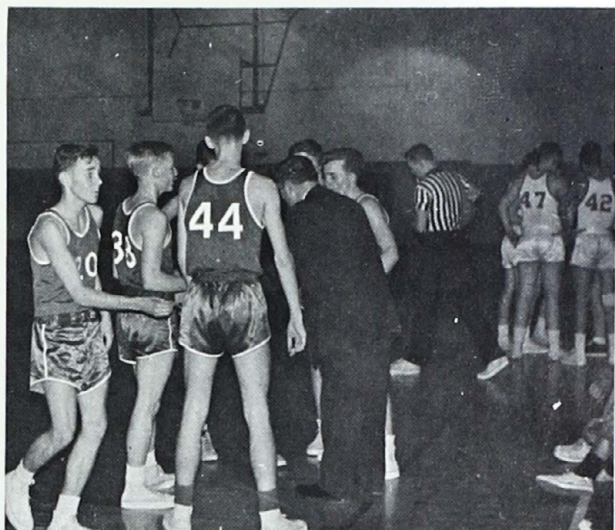

The Junior Varsity Team followed the footsteps of the Varsity as they beat Chateauroux in the first home game 22 to 21 and in the second 29 to 28. The sharpshooting of George Chambers and Bill Balliet was outstanding.

At Verdun the team was beaten both games although George Chambers and Dave Daniels kept Verdun on its toes. Scores were 38 to 20 and 43 to 14. Orleans was our next opponent at home. With Dave Daniels and Mike Hill as high-point men, the JV's won both games, 37 to 30 and 36 to 33. Then the team went to Paris—and fought hard against the Pirates increasing lead—but lost both games 45 to 26 and 45 to 32. Mike Hill and Tom Smithy starred in efforts to stop the Pirates.

Mike Hill again led the Vikings in scoring against Poitiers in the last two tournament games. However the Panthers out-played us and Dreux again lost both games, 39 to 27 and 35 to 34.
